DUTCH-GERMAN SYMPOSIUM POWERFUL VILLAGES LOCAL EMPOWERMENT

How do we maintain local services and the interplay this requires between resident initiatives, public authorities and social partners? How can resident initiatives be or become an equal partner in this? "Burgerkracht Europa" is organizing a symposium on local empowerment on 31 May.

WHO IS IT FOR?

- Representatives from resident initiative groups and support organizations in the German/Dutch border regions.
- Representatives from municipalities and other public authorities in the Dutch/German border regions.
- Representatives from economic and social partners of resident initiatives in the Dutch/German border regions.
